

Note The grade of Barrows Street from Plainfield street to north line of the Stokes land, was established as marked on this profile by the Council May 12 1892 see Council Book No 6 page 490  
 Wm. P. King  
 Council Clerk

**PROFILE OF BARRROWS ST.**  
 from Plainfield St. to Dyer Ave.  
 With Grade as recommended by John Walsh Highway Comr.  
 Commissioner appointed by the Hon. Town Council  
 of the Town of Johnston 1892.  
 R.S. Morry Engineer

Note This grade is recommended upon the assumption that Alverson Street on the SILVER LAKE PLAT will be extended easterly from Brown to BARRROWS ST as an outlet for drainage

Horizontal Scale 50 ft = 1 inch  
 Vertical " 10 " "
