

Plot
 of
OLNEY STREET

From Prospect St. to Harrington's Lane
 made by order of the Board of Aldermen by
 Schubarth & Haines
 Providence Jan^r 8th 1853

Scale 100 feet to an inch.
 Measured by U.S. Standard.

(Sheet 1)

Note The survey of Olney St. is made along a line near one side of said street, being a pricked line on this plot, from and along which the courses and distances in black ink were taken. The figures in blue ink are the total width of the street at various places.
