FROM SMITHFIELD AVE. TO NORTHUP AVE.
 scale 40 feet per inch

Note, Ledge street was originally platted in August 1855 on "A plat of the Joseph Randall Wood lot and the Sarah Randall farm", a copy of which is to be found on Card #354 in the office of the Recorder of Deeds.
 The lines of Ledge street here shown correspond with granite bounds shown on the "Manchester Plat" made Sept. 1891. (See Card #650 in the office of the Recorder of Deeds) and which includes a portion of the land divided and allotted by the earlier plat.
 The lines of Hastings street correspond with those fixed on "Plat of lots in North Providence formerly belonging to Ebenezer Wood" made in May, 1859 recorded on Card #340 in the office of the Recorder of Deeds.

Change of line made Mar. 23, 1903. See lay out map. Red figures connected by line show of C. bound.
